IN-KIND SUPPORT

A MESSAGE FROM OUR CHAIR

It is with great pleasure that we celebrate the graduation of our inaugural Leadership Great South Coast participants. I encourage every graduate to remain connected, to actively shape the future of our region and to share your stories and achievements with us and with each other.

It is fitting that I acknowledge and thank our dedicated Committee who have worked diligently over the past five years to establish the Leadership Great South Coast Program. Thanks also go to our program and scholarship sponsors for their ongoing support, vision and commitment to the development of our next generation of community leaders.

In particular I would like to note the support of our auspice organisation, Moyne Shire, for their commitment to the Program and to the development of the Great South Coast region.

The inaugural Leadership Great South Coast Program has enjoyed unprecedented support from local, state and national leaders which is testament to the validity of the Program and we are quickly gaining an excellent reputation across the region.

As a group you have been exposed to a wide range of leaders who you have had the privilege to learn from and to connect with. I thank these leaders for their commitment to your development and to the future of our region.

Finally I would like to thank the Victorian Government for the provision of funding via the Regional Growth Fund and the

support provided by the Victorian Regional Community Leadership Programs Secretariat. In our inaugural year the support of the eight Victorian Community Leadership Programs and Leadership Victoria has also been invaluable.

On behalf of the Leadership Great South Coast Committee and our supporters I would like to congratulate you for showing leadership and taking the initiative to participate in the inaugural Leadership Great South Coast Program. I wish you, the 2012 Alumni, every success in leading the Great South Coast region to a prosperous and vibrant future.

I encourage you to follow your compass, uphold your values and be a model and not a critic.

Cr Jill Parker
Chair LGSC Committee

OUR VISION

INNOVATIVE LOCAL LEADERS INSPIRING A THRIVING AND RESILIENT GREAT SOUTH COAST

Leadership Great South Coast provides an annual community leadership program for aspiring and emerging leaders drawn from all sectors of the Great South Coast region.

The Leadership Great South Coast Program is aimed at building relationships between the business, community and government sectors.

Participants will be drawn from all three sectors, allowing participants to benefit from a variety of perspectives when considering the nature of leadership and the future of our community and economy.

OUR AIMS

1. To involve a diversity of existing and emerging leaders in an experiential program that inspires creative ways of dealing with change, challenges and realities
2. To provide these leaders with skills that strengthen their capacity to respond to the region's economic, environmental and social opportunities and challenges
3. To develop skilled, confident, innovative community leaders for our region who are inspired to remain connected and informed: and
4. To establish a regional leadership network

EXPERIENTIAL PROGRAM

Whilst the program is intellectually stimulating it is not academic. It has been designed to develop the skills and knowledge of aspiring leaders.

Participants are encouraged to:

- Establish a lasting set of personal and professional links across different sectors and the Great South Coast region
- Develop a keener sense of leadership responsibilities
- Develop an understanding and acceptance of diversity
- Think laterally, examine problems systematically and find creative solutions
- Work with and lead community groups
- Establish a personal commitment to contribute to a network that offers expertise as a community resource

A MESSAGE FROM OUR EXECUTIVE OFFICER

2012 our inaugural year! And what a year it has been!

Commencing our journey at Glenormiston College in May 2012 I clearly remember how proud I felt of our fledgling team who were so inquisitive and willing to share. The learning curve was steep but under the expert guidance of Corrinne Armour, from Extraordinary Future, and with the ethical standards set by Professor Greg Wood from Deakin University you enthusiastically took up the challenge.

Futurist Mike McAllum asked you to think outside the square on economic, social and environmental challenges facing the Great South Coast until your heads hurt (in a good way). Moira Rayner increased your understanding of lobbying and SED Consultant, Rob Lane, provided you with governance guidance.

On our field trip to Victorian Parliament you embraced the opportunities presented to you by Minister Delahunty, Mr Simon Ramsey MP and our guest speakers Cr Stephen Mayne and Mary Harney, CEO of the Gardiner Foundation.

The networks, friendships and connections you have established throughout your LGSC year are extensive and they will serve you well in the future.

You stepped up to the challenge and broadened your knowledge during Program Days that were outside your comfort zone and passionately contributed to collective learning when your skills and knowledge were of value to the team.

As a future community leader you have gathered a wealth of leadership knowledge

and a clear understanding of your personal strengths and challenges which are your Tool Kit for future success.

I am excited that you have expanded your understanding of the issues and opportunities facing the Great South Coast and can now contribute an informed voice to community planning and development.

I congratulate each participant on your personal and professional successes this year. To those who have been nominated for and received awards, taken up committee and board positions and contributed back to our community through varied volunteer opportunities, I applaud you.

I know you will continue to contribute to our vibrant community via the 2012 Program Projects, establishing the parameters for our LGSC Alumni and Skills Bank Program, supporting youth mentoring programs in our region and environmental causes.

I remind you to be the leader that the situation, task and people require and encourage you to embrace every opportunity as it arises.

2012 PROGRAM PARTICIPANTS

We are pleased to present the inaugural Leadership Great South Coast Program Participants

General Manager – Maxum Performance Australia

MENTORING PROJECT LEAD

Tom is the General Manager at Maxum Performance Australia. In his role Tom is responsible for business strategy, operations and direct sales.

Tom is originally from a property west of Stanthorpe in southern Queensland. He studied Agribusiness Management at Orange Agricultural College and spent four years as a farm consultant at Goondiwindi in Queensland's South West.

Prior to taking on the role at Maxum Performance Tom was the Domestic Sales Manager at Maxum Foods, Brisbane. Since making the move to Western Victoria Tom has become heavily involved in the dairy industry and in 2012 was awarded the Young Farm Leader of the Year at the South West Dairy Awards.

Tom found the LGSC program extremely diverse and gained a broader insight into the Great South Coast region and the opportunities and challenges it offers.

"Being part of the LGSC Program has been a significant personal journey for me; it has broadened my horizons and challenged me to get out of my comfort zone"

"Beyond the LGSC Program I plan to use my leadership skills to help people and organisations in my community obtain direction and motivation to achieve great things. This will include work with the Standing Tall program to help facilitate long and lasting outcomes for their early intervention youth mentoring program."

**Tom
Newton**

Aged and Disability Services Coordinator - Corangamite Shire

Fran is currently the Aged and Disability Services Coordinator at Corangamite Shire Council. In her role she coordinates homecare, personal care, respite care, meals on wheels and property maintenance to approximately 500 clients by 45 staff.

Fran has worked in the field of aged care and disability for more than 20 years and has held positions in case management, residential aged care management and disability care coordination.

She is a member of LGPro the peak body for local government professionals in Victoria and is on various committees including the National Dementia Advisory Committee and is currently Chairperson of the South West Carer Respite Network.

Fran found the LGSC program personally rewarding. It further consolidated her belief that a strong community is created by the contribution of everyone living in that community. Valuable insights were achieved particularly in the areas of ethics, social and emotional intelligence and how sectors can work together to create a positive environment for the community.

"Beyond the LGSC Program I plan to use my learning to be a stronger voice for disadvantaged community members"

**Fran
Fogarty**

"If you want something you haven't got, you need to do something you haven't done!"

**Ryan
Weissel**

Franchisee, Quest Portland

Ryan is currently a Franchisee at Quest Serviced Apartments in Portland.

In his role Ryan is in charge of the daily running of the business with a strong focus on sales and marketing. As a franchisee there is no problem too big or too small for Ryan.

After spending time abroad teaching English in Japan, Ryan returned to Australia and joined the Quest Apartments family. Ryan has worked at numerous Quests in Sydney and Melbourne before he and his wife Terry moved to Portland to start up their own Quest.

Ryan is actively involved in his local community and since beginning his journey with the Leadership Great South Coast program Ryan has gained the skills and confidence he needed to become Vice President on the boards of both the YMCA and Portland Tourist Association. Ryan is a member of the Portland Young Professional's Network Steering Committee and spends his spare time organising professional development and social activities for the network.

"Being part of the LGSC Program has been an amazing experience that has changed my life. I have gained skills and confidence which will help me throughout my life on my leadership journey. It's great to have a network of friends from the LGSC Program who are able to support me in the future."

**Melissa
Mitchell**

Primary Healthcare Coordinator - Terang & Mortlake Health Service

Melissa is the Primary Healthcare Coordinator at Terang & Mortlake Health Service. She is responsible for coordinating Allied Health Services, Health Promotion and the Adult Day Centre from the Community Health Centre in Terang.

Prior to taking on her current role Melissa spent twenty years as a District Nurse, the last six as Unit Manager. Melissa is married with two teenage children and volunteers at South Warrnambool Football Netball Club as Netball First Aid Coordinator.

Melissa found the LGSC program to be of great benefit both professionally and personally. The potential for growth in the region and the needs of the community are drivers for Melissa to continue her leadership journey to the benefit of her community and employer.

"Participating in the LGSC program has encouraged me to reflect on my passions and look at how I can work with others to alter the social inequity within our community."

**Roger
Wilkinson**

Senior Social Researcher - Department of Primary Industries

Roger is a social scientist with the Victorian Department of Primary Industries, based in Warrnambool. He researches issues such as social changes in rural areas, public perceptions of farming and the adoption of new technology by farmers.

Roger is a member of the Council of the International Rural Sociology Association. He has a grazing farm at Wangoom. He is President of the Australian Stud Sheep Breeders Association and Chairman of the Fleece Committee of the Royal Agricultural Society of Victoria.

Roger found the LGSC program broadened his perspective on the range of issues regional leaders need to consider. He is interested in governance and wants to pursue leadership opportunities in managing the region's natural and social amenity.

"I learnt as much from the other group members and their diverse range of perspectives as I did from the presenters."

**"The Secret to SUCCESS, is
how you deal with FAILURE"**

Assistant Manager, Toyworld Hamilton and Simply Baby

Rachel Munro is currently in transition from full time employment in the family business, Toyworld Hamilton, to full time study at Deakin University (Bachelor of Commerce).

Rachel is from Hamilton and has been working in the family business whilst studying at University part time since 2008.

Through her LGSC experience Rachel has cemented her passion for the education sector and has made the decision to study full time to achieve a qualification and commence her new career sooner than originally planned. This passion for education stems from her role as a junior coach and her professional work.

The network of people and the knowledge she has gained from the Program far exceeded her expectations.

"Being part of the LGSC Program has given me the skills set and confidence to push myself beyond what I thought possible."

**Rachel
Munro**

Building Coordinator - Moyne Shire Council

Damien is currently the Building Coordinator at Moyne Shire Council, in this role as a Registered Building Inspector Damien carries out all mandatory inspection stages on council issued building permits.

Damien is originally from Camperdown, where he completed a carpentry apprenticeship with Ian and Norah Titmus at Bachelors Building and Joinery, which provided him with an excellent foundation for his current role.

Damien is the Vice president of the Skipton Campdraft Club, Delegate for Victorian State Management Council of the Australian Stock Horse, Committee member of the Australian Stock Horse Society, Western Victorian Branch and Committee member of the Hexham Recreation Reserve.

"I found my LGSC year to be both challenging and rewarding. I was challenged to think outside the square and question what is important to the Great South Coast region."

**Damian
Teal**

Brophy Family & Youth Services - Younger Aged Parent (YAP) Program

Michelle is employed to deliver the Younger Aged Parent (YAP) program, coordinating a collaborative service delivery team who support younger parents to manage parenthood.

Michelle's early career was as an emergency nurse. She returned to study in 2005, and continues postgraduate criminology studies. Her interest includes social policy that is underpinned by the dominant discourse of risk and its impact on local policy and program implementation.

Michelle found her LGSC year to 'exceed all expectations'. Exposure to an impressive line-up of leaders highlighted aspects of effective communication and leadership. This provided the ideal forum for evaluating her personal style, strengths and areas of improvement.

'I was challenged to think strategically, laterally and ethically. I now clearly understand the value of being a model and not a critic in times of challenge.'

**Michelle
McDonald**

Tutt Environmental, Deakin University Lecturer, Dad and Homemaker

Tim currently runs his private consultancy Tutt Environmental, and lectures at Deakin University. In these roles Tim applies his broad skills and experience to both clients and students (the next generation) while also keeping the flexibility to be family-friendly.

Tim grew up in Melbourne and settled in the district following his dream of a sustainable balanced life. He has worked in a number of environmental roles in the water, waste, and natural resource sectors, while creating a lifestyle property and being a hands-on father.

Tim found the program challenging, refreshing and focusing. Having held leadership positions throughout his academic career, the course provided professional, community and personal stimulus via its presenters, as well as through the cohort of program participants.

"Completing the program has reinforced a resolve to speak, act and be a part of life and not to be a complacent bystander."

**Dr. Tim
Tutt**

**Merran
Fyfe**

Service Manager - Flagstaff Hill

Merran is currently based at Flagstaff Hill in Warrnambool, the region's largest tourism precinct. Her role includes planning, development, operations and events.

Merran is originally from a dairy farm near Portland, and was schooled in Hamilton. She moved to Adelaide to study, and then to New Zealand to pursue her love of environmental tourism at Mt Cook National Park. In 2005 she returned to the region to take up a position at Flagstaff Hill.

Merran is very proud of opening up Flagstaff Hill for the community to cherish and enjoy and the role Flagstaff Hill staff and volunteers have played in this success. Events include the Day on the Hill, New Year's Eve, Whale Boating, the very successful Flood Appeal in 2011 and a booming membership program.

Merran's leadership journey enabled her to look more closely at her personal, community and professional development and how she can positively influence opportunities in the future.

"Though the Program I can now clearly define important issues in the region, while being able to see how and when I am able to make positive changes in my workplace and in the wider community."

**Jason
Hoy**

Engineering Project Officer - Moyne Shire Council

HEALTHY ACTIVE ENVIRONMENT PROJECT LEAD

Jason works in the engineering team at Moyne Shire Council, his role consists of civil designs, project management and supervising bridges and major structures projects across the shire.

Jason was born and raised in Warrnambool. He studied at the university of Ballarat and prior to taking on the position at Moyne he worked in many other roles across Australia, such as a land surveyor, in construction and retail management.

Jason found the LGSC year enlightening and stimulating allowing him to expand his knowledge and skills set with a diverse range of presenters at each session. As part of his journey Jason took on a lead role in the "Healthy Active Environment" Project. The Project aimed to support a strategic approach to promoting community, industry and government to protect and enhance our environment.

"Being part of the LGSC Program has given me a broader perspective of our community and understanding of both their passions and struggles"

**Mrs
Lisette Mill**

Landcare Network Facilitator - Basalt to Bay Landcare Network Inc.

Lisette is currently a Landcare Network Facilitator for The Basalt to Bay Landcare Network Inc. In her role she brokers large, landscape scale Landcare programs within the shires of Moyne and Warrnambool.

Prior to her current role she completed a two year full-time Diploma of Conservation and Land Management- at a level that won her the 2011 Victorian Vocational Student of the Year Award and made her a finalist in the 2011 Australian Training Awards.

Much of what Lisette describes as her leadership journey in 2012, has been the expansion and refinement of skills she had gained through life experiences. Adding fresh insights and questions; challenging assumptions and clarifying goals ahead.

"I have been challenged, energised, and given new ideas about how I can fire up positive, sustainable growth in my region".

Kaore te kumara e whaakii ana tana reka = The kumara (sweet potato) does not say how sweet he is.

This Maori proverb describes the value of humbleness, a quality I aspire to in my leadership.

ALBERT SCHWEITZER

Town Planner - Moyne Shire Council

ALUMNI / SKILLS BANK PROJECT LEAD

Aaron is a Town Planner at Moyne Shire Council. In his role he undertakes assessment of planning permit applications prepares and presents planning reports to Council and provides professional responses to planning enquiries.

Aaron is originally from Adelaide, where he graduated with a Bachelor of Urban and Regional Planning (Environmental Planning) at the University of South Australia in 2010, before moving to Warrnambool and to commence his role with Moyne in February 2011.

Aaron found his involvement in the LGSC Program to be a valuable experience, giving him a greater understanding of key issues facing the region and confidence in presenting in group environments.

"LGSC presents a fantastic opportunity for aspiring leaders to participate in cross-sector discussion and develop community awareness."

"As lead of a project group I have developed skills that will assist me in people management and in my future leadership aspirations. Our leadership project seeks to inform the structure of the Alumni Program and identify the parameters of a Community Skills Bank for the region which will have positive benefits for the region."

**Aaron

Graduate Field Officer - Warrnambool Cheese and Butter

Jessica is about to commence a new role at Warrnambool Cheese and Butter as Graduate Field Officer. The role involves working in the dairy industry liaising with dairy farmers. Jessica is currently studying a Bachelor of Agriculture through Charles Sturt University.

Jessica is the Junior Vice President of the Warrnambool Agricultural Society and placed runner up in the 2012 Victorian Rural Ambassador Awards. She has worked on dairy farms in the district and is passionate about building a greater understanding between country and city.

Whilst completing the Leadership Great South Coast program Jessica has been awarded runner up in the Victorian Rural Ambassador Awards, nominated as Junior Vice President of the Warrnambool Agricultural Society and secured the job in which she can pursue her career.

Jessica found her LGSC journey both challenging and rewarding. She has learnt many new skills and deepened her understanding of her community and the leadership roles available within it.

"The skills I have developed through the program have already been of value in both my personal and professional life."

PRESENTER THANK YOU

The Leadership Great South Coast Committee would like to take this opportunity to thank our numerous friends and supporters.

The success we have experienced in our inaugural year has been both exciting and rewarding and is the result of a combined effort.

In particular we thank our speakers, presenters and panel members who have so generously given their time and expertise to the Program. We thank each of you for sharing your skills, knowledge, leadership insights, passions and professional journeys. Your combined expertise has set a very high standard for future Programs to aspire to.

It is also fitting that we highlight the support provided by the six Great South Coast LGA's (Moyne, Warrnambool, Corangamite, Southern Grampians, Glenelg and Colac Otway). Your ongoing financial and in-kind support of the Program and commitment to the development for our next generation of community leaders sets the standard for our region.

To all our Program Sponsors and Scholarship Sponsors we thank you for your ongoing and generous support.
